

Certified Court Reporters and Litigation Support Providers

COURT REPORTING AND LEGAL VIDEOGRAPHY SERVICES

At Tate & Tate, our court reporters meet the highest standards in the industry. Tate & Tate specializes in all types of litigation, including construction defect, environmental, pharmaceutical, securities, mass tort, insurance, medical malpractice, personal injury, bankruptcy, and trademark/patent litigation. We have been the “go to” court reporting company for major litigations around the country, and our clients rely on our experience, expertise, and world-class service to mitigate time and unnecessary costs.

And when you need to view the transcript in real time, Tate & Tate provides both in-person and remote feeds to enhance your litigation experience.
