

Certified Court Reporters and Litigation Support Providers

REMOTE LEGAL SERVICES AT THEIR BEST

Overwhelmed thinking about how to effectively present your documents in your next deposition? Or have your first virtual trial and need to display portions of a deposition video and have the jury concentrate on a specific area of a 100-page document?

Tate & Tate has the answer, and it is just a phone call away. As we continue to virtually litigate cases in the deposition and trial process, it is essential to include the services of an experienced document/trial technician to handle the exhibits, video, and demonstratives during your remote proceedings. We have been involved in hundreds of depositions, hearings and trials, and can assist you in efficiently and effectively managing all aspects of your case.

From the deposition room to the courtroom, Tate & Tate's team of remote document/trial specialists have taken the "remote headache" out of the virtual process; seamlessly sharing exhibits, spotlighting videotaped witnesses for trial-ready presentation, and helping clients achieve success throughout the remote session.
